الملاحظات

• أصل هذه النسخة في مكتبة الجامعة الإسلامية بالمدينة النبوية.

Handwritten Arabic text on the left page, densely packed in multiple columns. The script is a cursive style, likely Maghrebi or similar. The text appears to be a philosophical or theological treatise, with some lines starting with 'و' (and) or 'ف' (so). The right margin contains smaller, more vertical text, possibly a commentary or a list of references.

Handwritten Arabic text on the right page, continuing the dense script from the left page. The layout is similar, with multiple columns of text. The right margin also contains vertical text, which seems to be a continuation of the commentary or a separate section of the work. The overall appearance is that of a well-used manuscript with clear handwriting.
